

FOSS Force and Motion Course August 4–5, 2008, at the Lawrence Hall of Science University of California at Berkeley

This 2-day workshop will include

- *In-depth experience with all 8 of the investigations in the FOSS Force and Motion Course for grades 6–8, presented by the developers of the course.*
- *Hands-on experience setting up the FOSS electronic Dotcar.*
- *A tour of the Lawrence Hall of Science, a public science center, where the FOSS project is housed.*
- *A group dinner at the Bay View Cafe at the Lawrence Hall of Science.*
- *A complete set of Force and Motion printed materials.*

This workshop is sponsored by

The Lawrence Hall of Science

Delta Education

Workshop Information

Workshop location

Lawrence Hall of Science
University of California
Berkeley, CA 94720-5200

When

August 4–5, 2008

Who should apply?

The workshop is designed for educators involved in professional development of middle school teachers, FOSS consultants, and 6–8 grade teachers who will be using the Force and Motion course with students. We will discuss the FOSS program philosophy, teaching strategies, correlation with national standards, learning needs of middle-level students, and assessment. People who complete the workshop will be prepared to teach the **FOSS Force and Motion Course** and introduce it to other educators.

Registration cost and deadline (June 20, 2008)

There is no fee for this 2-day workshop, but registration is required. Thirty middle-school educators will be accepted. Registration deadline is **Friday, June 20, 2008**. Send the registration to DeSondra Ward at the Lawrence Hall of Science.

Housing

A block of rooms is being held at the Doubletree Hotel at Berkeley Marina, Berkeley, CA. Call the Doubletree directly (510-548-7920) to reserve a room on or before **July 4**. You should identify yourself with the **FOSS Force and Motion Workshop**.

Food

Morning refreshments and lunch will be provided each day of the workshop. We will have a group dinner Monday evening in the Bay View Cafe at the Lawrence Hall of Science.

Transportation

Travel to and from the workshop is your responsibility. If you will be flying in, use either the Oakland Airport (closer and more convenient) or San Francisco Airport. Plan to arrive Sunday, August 3. Information about shuttles from the airport to the hotel will be included with your confirmation. We will provide transportation between the hotel and the workshop each day.
